Anyone not in compliance with this instruction will be disqualified without a hearing.

Please rig your dinghies on the beach in front of the clubhouse. If you do rig on the road/pavement in front of the clubhouse do not attach your boom in case it either injures a passer-by or damages someone's car.

Competitors are reminded that the first consideration of patrol boats is the safety of competitors.

Patrol boats are provided on race days for competitors taking part in club racing. In the normal sequence of events, they will not be available to other boats outside the race area, nor will they be available once club racing has finished.

Boats retiring from a race shall notify the Race Committee as soon as possible.

Competitors and helpers are also reminded that the Clubhouse is situated on a busy road, trucks will be using it on race day. Please take care and park responsibly.

## **Risk Statement**

Rule 3 of the Racing Rules of Sailing states: 'The responsibility for a boat's decision to participate in a race or to continue racing is hers alone.'

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event.
- (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore.

- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions.
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate.
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organizer does not relieve them of their own responsibilities.
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
- (g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
